The **Senior Health Fair** Program is in a full-color magazine format, with a listing of all Sponsors, Exhibitors, and Seminars. It will include vital information for the needs of senior citizens. The program will be hand-delivered directly to attendees of the event.

This publication will also be online for a full year on our twin websites www.SeniorHealthFair.org and www.BabyBoomerCatalog.com, plus the popular www.babyboomer-magazine.com. These sites will provide live links to your website and your email. The expo exhibitors and sponsors, with contact information, will also be listed in ten community newspapers reaching 188,000 readers (including five additional e-mags) within the Greater Sacramento Region. This is a great opportunity for your company to reach out beyond the expo to the homes, businesses and facilities where this “keeper” publication will arrive. If you have a product or service for this vast market, your presence in the Senior Health Fair Program will greatly enhance your visibility to show attendees.
