Information & Resources for a Safer, Healthier and Happier Life

Welcome to the Senior Health & Fitness Fair

As you visit our Virtual Health Fair, you will have access to many exciting exhibits covering a wide variety of subjects pertinent to your well-being and happiness. Many of the exhibitors have come from throughout the region to discuss their plans for your health, finance and home life. So please take the time to stop and talk with them...you might just find an ideal match for your needs!

The producers of the Senior Health & Fitness Fair would like to thank the following people and organizations for their work and support: Dru Isanda, for administrative and organizational work; Ken Klages for designing and maintaining our websites; Paul Scholl and the Messenger Publishing Group for all of their support as a print media sponsor. We appreciate the support of The Sacramento Bee for getting the word out via print and social media.

We thank them all for their sponsorships, promotional efforts and good work!
